Especialists in the maritime, river and lake environment

INCOSTAS & NOUEL Join competencies to offer comprehensive engineering, procurement and Construction solutions. We accumulate a wide technical knowledge and extensive experience of more than 60 years that's allows us to provide services to our clients with a focus on quality, efficiency and cost-effectiveness approach.

Its proven trajectory of successes is based on:

- A corporative culture oriented to satisfy the necessities of its Clients, through an efficient organization and a dynamic and innovating management.
- Competitive advantages based on the high quality of its human team, the technical excellence and the constant updating of its advanced technology equipment.
- A sustainable growth founded in the commitment and the contribution that the company makes to improve the quality of life of its members, their families, the local community and the society in general.

Values:

- Excellence in its performance
- Guidance to the Client
- Corporate ethics
- Security, health and environment protection
- Personal development
- Social responsibility

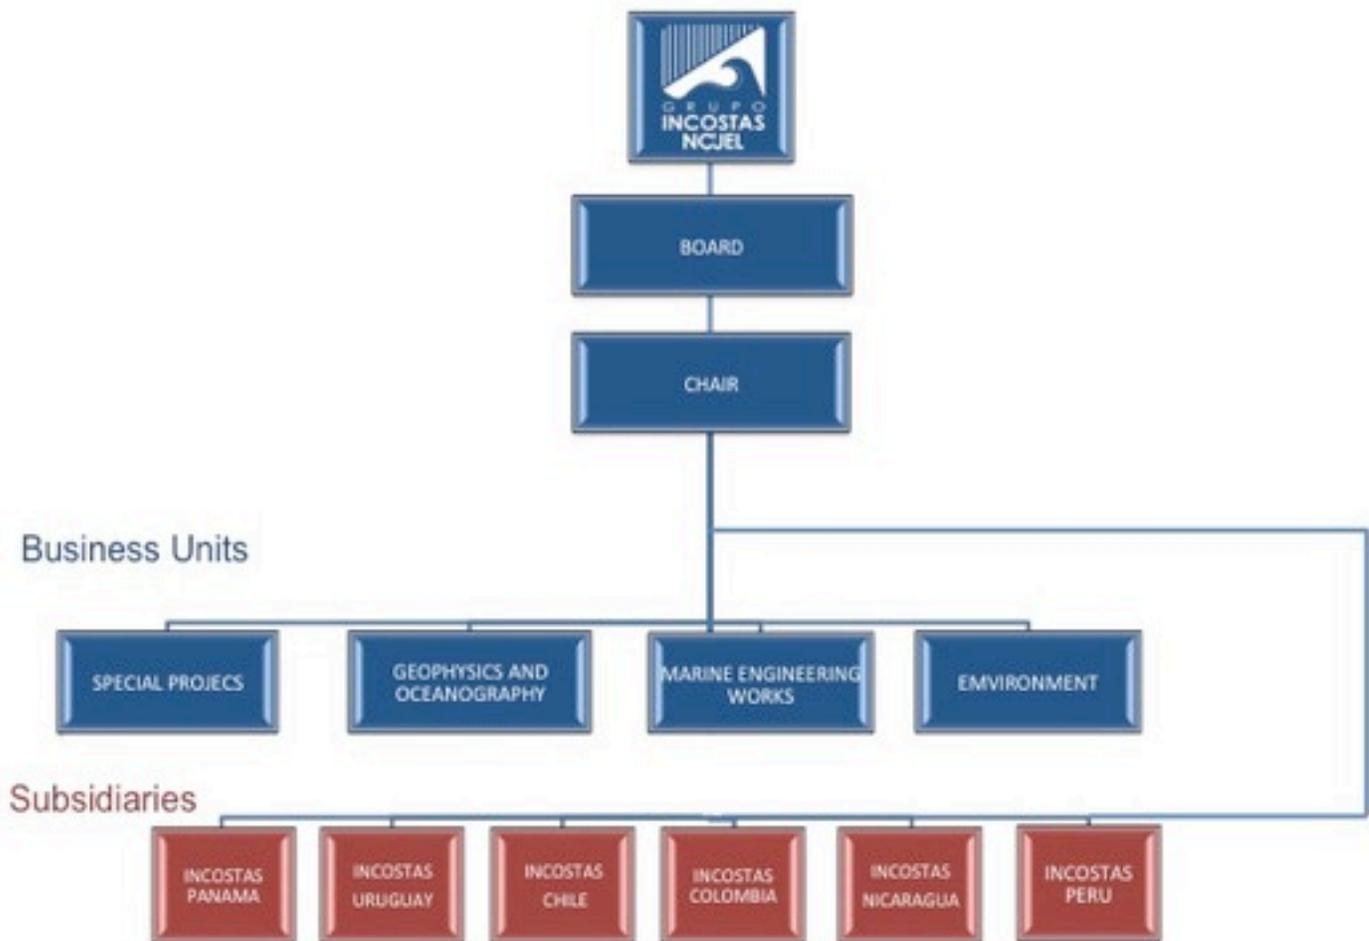

INTEGRATED MANAGEMENT SYSTEM (ISO 14001+ ISO 45001)

We have an Integrated Management System, which ensures proper management of Safety Occupational Health of our workers, contractors or third parties and protecting the environment

as well as compliance with applicable legal and other requirements and international treaties in Environment and Safety.

CORPORATE STRUCTURE

PROFESSIONAL TEAM

INCOSTAS counts with a team of more than 200 specialized professionals and technicians whose experience, commitment and capacity guarantees the highest quality in engineering services at its different areas of business.

Meet our managing team:

Juan Bautista Font Tono

President
MSc. in Hydraulics.
Specialist in Coastal Engineering

Luis Bermudez Garrido

Port Engineering Division Manager
Geodesist Engineer
MSc. in Transport Planning

Roberto E. Font Cinini

Director
MSc. Engineering Management
Specialist in Transport
Special Projects Division Manager

Eduardo Valera

Director
MSc. Hydraulic Engineering.
MSc. Integrated Coastal Zone Management
DEA Environmental Engineering

Juan Vicente Font Cinini

Director
CEO
Electronic Engineer
Specialist in computing and GPS

Luis E Nouel P

Msc. Industrial Engineer
Msc. Economic Engineering
Director

Aramis Latchinian Pazos

Director
Environmental Management Specialist
MSc. Environmental Science Degree in
Biological Oceanography

TECHNICAL ADVISER

The technical advisory team Incostas is a group of professionals specialized in different areas, which contribute their expertise in the development of our services.

Eberhard Beyer

Structures, Road and Port Engineering

Robert Dean

Coastal Engineering.

Sergio Marin

Hydraulic and seismology Engineering

José Rafael Cordova

Hydraulic and Hydrology Engineering

Claudia Cinini Biasci

Design and planning of Marinas and Ports

Luis Andrade

Thermoelectric Plant Engineering

Herman Matute

Road Engineering

Pedro Castillo

Soil Engineering.

Luis Mirabal

Port Engineering and Fluvial Hydraulic

Reinaldo Morales Rojas

Mechanical Engineering and Naval Sciences

Jose Ignacio Sanabria

River Hydraulic Engineering

Marcelo Gonzalez

Hydraulic and Hydrology Engineering

Hans Burcharth

Breakwaters and coastal structures.

Fernando Rodriguez

Nautical Science and Maritime Transport

Luigi Mutti

Naval Engineering

Luis Sully

Airport Engineering

Oscar Anzola

Transportation Engineering

Francisco Gonzalez

Road and Infrastructure Engineering

ALLIANCES

GRUPO INCOSTAS NOUEL, with the assistance of its associated companies, has rendered uninterrupted services for more than 60 years to PDVSA this evidences the professionalism of its personnel and the quality of its services.

AFFILIATES:		
	GPS, Geofísica y Posicionamiento Satelital, C.A.	Filial de Incostas en Venezuela
	CEG & Incostas	Consortio en EUA
NATIONAL COMPANIES WHICH WE HAVE AGREEMENTS :		
	Oficina de Cálculos Técnicos e Hidráulicos.	Ingeniería Hidráulica
	Ingeniería Caura, C.A.	Estudios Ambientales
	Oficina Técnica Luchsinger & Beyer, S.C.	Estructuras Portuarias
	PROHIDRA	Ingeniería Fluvial
	MGR Consultores	Estructuras Hidráulicas y Geotecnia
	Kort Consulting XXI, C.A.	Ingenieros Navales
	CGR Ingeniería	Ingeniería Hidráulica e Hidrología
INTERNATIONAL COMPANIES WHICH WE AGREEMENTS:		
	MARIMATECH. Dinamarca	Sistemas de asistencia y monitoreo de atraque de buques

	<p>Axys Technologies. Canadá</p>	<p>Boyas oceanográficas y Meteorológicas</p>
	<p>NORTEK AS. Noruega</p>	<p>Instrumentos de medición de velocidad: Perfiladores de Corriente, Correntímetros, etc.</p>
	<p>Gea Consultores Ambientales. Uruguay</p>	<p>Estudios Ambientales</p>
	<p>Playas Corp. Colombia</p>	<p>Gestión Integral de Playas</p>
	<p>TECNOCEAN INGENIERIA S.L. España</p>	<p>Modelos Matemáticos de Oleaje y Costas.</p>
	<p>SIPORT21. España</p>	<p>Simulación de Maniobras Portuarias</p>

BUSINESS AREA

COASTAL

- Coastal and Estuarine Sedimentation
- Marine Hydraulics
- Wave Regime
- Coastal Geomorphology
- Shoreline Protection
- Artificial Beaches, Jetties and Breakwaters
- Submarine Effluent Discharges
- Mathematical Models of Diffusion and Thermal Recirculation
- Physical Hydraulic Models
- Dredging

PORTS

- Port and Terminals
- Oil & Gas
- Dry Bulk
- General Cargo/ Multipurpose
- Ferry/RO-RO/Cruise
- Containers
- Conventional Buoy Mooring (CBM)
- Single Point Mooring (SBM, CALM)
- Subsea Pipelines
- Master Plans
- Navigation Channels
- Touristic Development Facilities
- Operations Simulation
- Port Safety

OCEANOGRAPHY

- Physical, Chemical and Biological Oceanography
- Metocean
- Modeling and Prediction

HYDROGRAPHY AND GEODESY

- Bathymetry
- Rig Positioning

MARINE GEOPHYSICS

- Site Survey
- Seabed Geomorphology
- Geohazards Assessment
- Shallow Gas Detection
- Pipelines Inspection

GEOTECHNICAL

- Rock and Soil Boring
- CPT and SPT Tests
- Geotechnical Sampling

ENVIRONMENTAL CONSULTANCY

- Environmental Impact Assessment (EIA)
- Environmental Feasibility Report (EFR)
- Sanitation Studies
- Supervision in work site for environment and safety
- Environment Management Systems (ISO 14001)

- Occupational Health and Safety (ISO 45001)
- Management System Audits (SGA, S&OH, IMS).
- Personnel training for systems implementation.
- Provision of high quality environmental technical personnel and S&OS

PROFESSIONAL ASSOCIATIONS

- ✚ Venezuelan Engineers Association - Affiliate N° 718
- ✚ Venezuelan Consulting Companies Chamber - (CAVECON)
- ✚ Ministry of Environment and Natural Resources – Affiliate N° RCA-480
- ✚ Contractors National Service - Affiliate N° 1202010002362197
